

man whisperers

a blunt, spunky, and instantly pleasurable blog about relationships

are you dating a player? **the print and carry checklist**

- Does he put a time limit on hanging out?
- Does he avoid couple situations in public?
- Does he create an environment around him that makes him appear fun to be around?
- Did he fall hard fast?
- Does he get jealous fast?
- Does he ask too many questions about what you want - right away?
- Are the comments on his facebook wall 100% from girls?
- Does he start talking/pushing sex right away?
- Does he say things to make you feel insecure?
- Are you trying - hard - to prove your value to him?
- Have you caught him lying?
- Is he is opposed to completely monogamous relationships?
- Have your friends warned you about him?
- Is he good with words? All the time? With everyone?
- Does he drag his feet? And only does what he wants to do?
- Does he show an unwillingness to be communicative?
- Does he have mostly friends of the opposite sex?
- Do you always seem to always be chasing him?
- Does he blame you for being too flirty after you catch him interacting with the opposite sex?
- Does he rarely initiate plans and prefers to hang out at the last minute?
- Have you lost all control over how much you want him? And he knows it?
